Energy-Saving Manual-Fill Matt Black Water Boilers

Insulated design and double-walled stainless steel construction can save up to 60% on energy use in comparison to traditional single-skinned boilers. Easy-to-use controls allow for simple setting and monitoring.

- Water Gauge Allows you to Easily Check Water Levels for When the Boiler Needs to be Topped up
- Attractive Matt Black Design - Perfect for Front-of-House Areas & Stays Clean - No Grubby Hand Prints/Marks
- Double-Walled Design for Added Insulation & Reduced Energy Output
- Concealed Element for Easy Cleaning & Extended Product Life
- Non-Drip Tap Helps to Prevent Spills & Waste
- Tap Height: 140mm
