COOLING YOU CAN COUNT ON. PERFORMANCE YOU CAN TRUST.

From compact prep stations to high-demand professional kitchens, **Polar Refrigeration delivers dependable cooling without compromise.** Built for real-world service, every unit combines **robust performance, intuitive usability, and energy-conscious design** — helping you protect stock, reduce waste, and stay efficient, day after day.

WHY BUY POLAR?

POLAR

- ✓ Free 2 year parts and labour warranty*
- ✓ Free next-day delivery, including unboxing, positioning, and removal of the pallet and packaging
- ✓ Market leading energy-efficient products that reduce running costs
- ✓ Wide range of refrigeration products from fridges to slush machines
- ✓ Comprehensive spare parts availability
- ✓ Trusted by professionals for over 20 years

COMPETITORS

- ✗ 1 year parts only warranty
- ✗ Delivered to kerb side only for you to move into your premises
- ✗ Inefficient products that increase total cost of ownership
- ✗ Limited product range
- ✗ Limited or no spares availability
- ✗ Unproven for long term performance and reliability

ESTABLISHED IN 2004
WITH OVER 1.2 MILLION
UNITS SOLD WORLDWIDE

CONSISTENT TEMPERATURE CONTROL

Polar products deliver precise, reliable cooling you can trust. Designed for efficiency and consistency, they maintain optimal storage conditions while **reducing energy use** — keeping your products perfectly protected around the clock.

OUTSTANDING VALUE

Competitive pricing across the range makes Polar an accessible choice without compromising on quality.

BUILT TO LAST

Durable construction and commercial-grade components ensure long-term performance in demanding environments.

READY FOR SERVICE, RIGHT OUT OF THE BOX

With strong stock availability, **free next-day delivery and positioning, plus hassle-free unboxing** where we remove the pallet and all packaging, installation is effortless.

PEACE OF MIND AS STANDARD

Every Polar product includes a **2-year parts and labour warranty***, so you can invest with confidence.

*Excluding ice makers

BETTER FOR THE ENVIRONMENT

Market-leading, **energy-efficient products** that cut running costs without compromising performance. With improved insulation and airflow and plastic-free packaging reducing environmental impact.

THE POLAR RANGE

Three clear tiers – so you can choose with confidence.

POLAR C-SERIES

Best for cafés, small bars, low-intensity kitchens

- Perfect for front-of-house, cafés, and occasional use.
- Cost-effective and compact.
- Reliable performance in lower ambient temperatures.

SHOP NOW

POLAR G-SERIES

Best for restaurants, pubs, schools, care homes

- Designed for regular commercial use.
- Strong balance of performance, capacity, and price.
- Handles moderate ambient temperatures with ease.

SHOP NOW

POLAR U-SERIES

Best for high-volume kitchens, demanding service environments

- Built for high-intensity operation.
- Operates efficiently in high ambient temperatures.
- Premium features, faster recovery times, enhanced durability.

SHOP NOW

POLAR

DESIGNED AROUND **HOW YOU WORK**

When performance matters, Polar delivers. Built to handle the demands of professional kitchens, it brings together durability, efficiency and everyday ease - giving you the confidence that your equipment will work as hard as you do.

EFFICIENT BY DESIGN

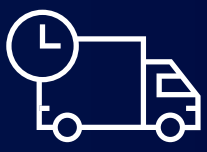

- Improved insulation reduces energy loss
- Optimised compressor performance lowers running costs
- Clear energy ratings help inform smarter purchasing decisions
- Plastic-free, more recyclable packaging
- Durable build quality to extend product lifespan

SMART COOLING TECHNOLOGY

- Forced-air systems for rapid temperature recovery
- Digital controls for precise adjustments
- Stable performance even with frequent door openings

FREE NEXT DAY DELIVERY & POSITIONING SERVICE

- Free next-day delivery
- Positioning in your kitchen or service area
- Unboxing, pallet and packaging removal included
- You get fully set up — faster, easier, and with no hassle

EASY TO LIVE WITH

- Simple cleaning and maintenance
- User-friendly interfaces
- Durable finishes that withstand daily wear

How to Order
Cold rooms are available as chillers or freezers. For chillers, choose codes ending in –C. For freezers, choose codes ending in –F.

Once you've chosen the size of your cold room, select the colour by adding the relevant two letters listed above to your product code. E.g. For brown 1500(W) x 1800(D)mm freezer use **DS482-FBN.**
